

### *Programmed Frozen Treat Mixer for Improved Results and Easier Operation*

The Mix'n Machine Advance, the industry's leading frozen treat mixer, can incorporate candies, cookies and other hard-to-mix ingredients into hard or soft serve ice cream or yogurt. Easily expand your menu and make highly profitable frozen treats. Perfect for high-volume ice cream shops, smoothie shops and quick-service restaurants.

### *Smart Product Design*

- 6 optimized programs let you customize your dessert treats and deliver consistency from location to location
- Easy-to-use pulse control quickly refreshes desserts
- Automatic shut-off and end-of-cycle indicator light improves ease-of-use and eliminates wasted ingredients
- Cup-activated lever with "smart" delay allows for simple one-handed operation
- Variety of efficient agitator options allows you to mix both hard and soft ice cream and yogurt

Includes Mix'n Machine Advance with permanent soft ice cream agitator.

The Mix'n Machine Advance is backed by a three-year warranty on motor base. For more complete warranty terms and conditions, please contact your authorized Vitamix distributor.
